[1] Median Household Income of renters whose household income is above the qualifying income.
[2] Qualifying Income for renters - Income necessary for renters to qualify for a loan for the median home priced home. It was computed assuming a $3 \%$ down payment. Both annual mortgage insurance payment $\mathbf{( 0 . 8 5 \%}$ ) and upfront mortgage insurance premium (1.75\%) were included in the formula.

NATIONAL
ASSOCIATION of
REALTORS*

The National Association of REALTORS®, "The Voice for Real Estate," is America's largest trade association, representing 1.2 million members, including NAR's institutes, societies and councils, involved in all aspects of the real estate industry. NAR membership includes brokers, salespeople, property managers, appraisers, counselors and others engaged in both residential and commercial real estate.

The term REALTOR® is a registered collective membership mark that identifies a real estate professional who is a member of the National Association of REALTORS® and subscribes to its strict Code of Ethics.

Working for America's property owners, the National Association provides a facility for professional development, research and exchange of information among its members and to the public and government for the purpose of preserving the free enterprise system and the right to own real property.

## NATIONAL ASSOCIATION OF REALTORS®

RESEARCH DIVISION
The Mission of the National Association of REALTORS® Research Division is to collect and disseminate timely, accurate and comprehensive real estate data and to conduct economic analysis in order to inform and engage members, consumers, and policymakers and the media in a professional and accessible manner.

To find out about other products from NAR's Research Division, visit
