

## NAR's Newest REALTOR Benefits® Program Enhancement Helps REALTORS® Save on Vehicle Maintenance Costs FACT SHEET

*Offering Expanded Vehicle Maintenance Package Created Exclusively for REALTORS®*

FCA US LLC (Fiat Chrysler Automobiles), the “Official Automobile Manufacturer of the National Association of REALTORS®”, has partnered with NAR under the Association’s REALTOR Benefits® Program to create an exclusive vehicle maintenance program, expanding upon the popular \$500 cash allowance and oil change program that has been in place since 2011.

**What:** The exclusive two-year vehicle maintenance package is available at no extra charge with purchase or lease of the many eligible vehicles — including program best sellers Jeep Grand Cherokee and Ram 1500, Chrysler Pacifica, or the newly added Alfa Romeo Stelvio and Giulia. Eligible vehicles now also include the 2019 Jeep Cherokee and 2019 Ram 1500.

The maintenance plan (Mopar® Vehicle Protection package) features:

- 4 (two per year) lube, oil, filter changes using synthetic oil
- Road hazard tire and wheel service plan that includes full repair or replacement cost for all four tires and wheels
- Free first day car rental and daily \$35 rental car or taxi reimbursement (if needed) while your car is being maintained at the dealership

This new maintenance benefit (a \$500 value) is in addition to the \$500 cash allowance, and is on top of the deal negotiated at the dealership, and can be combined with most national and local incentives. Leveraging the savings offered through just one REALTOR Benefits® Program partner can return the value of NAR membership dues many times over and this benefit alone is valued at \$1,000 — the equivalent of more than six years of NAR membership dues.

**Who:** \$500 cash allowance benefit - NAR members; staff of national, state and local associations or board of REALTORS® located in the 50 United States, the District of Columbia and Guam; and family members of REALTORS® and staff, who reside at the same address. **The maintenance package is available to REALTORS® only.**

**How:** Be certain you receive all your benefits and view the eligibility requirements at [NAR.realtor/RealtorBenefits/NAR](http://NAR.realtor/RealtorBenefits/NAR) before heading to the dealer. Make sure to bring the appropriate documents, including a copy of your current-year NAR

membership ID (other documents are required for association staff and family members). Reminder: Negotiate your best price before mentioning the \$500 cash allowance.
