### **ARTICLE II ANNUAL DUES**

#### **SECTION 1.**

(A) The annual dues of each Member Board (local Board) as defined in Article III, Section 1(B)(1) of the Constitution, shall be in an amount established annually by the Board of Directors at the Midyear Meeting times the sum of the number of REALTOR® and REALTOR-ASSOCIATE® members of the Board and the number of individuals who are licensed with such REALTOR® members of the Board and who are not themselves REALTOR®, REALTOR-ASSOCIATE® or Institute Affiliate members of the Board provided such individuals are not otherwise included in the computation of dues payable by another Member Board.

The annual dues of each Member Board (State Association) as defined in Article III,

Section 1(B)(2) of the Constitution, shall be the amount established by the Board of Directors pursuant to Section 1(A) hereof times the sum of the number of REALTOR® and REALTOR-ASSOCIATE® members of the Board whose real estate office is located in a territory within the state which is outside the jurisdiction of any local Board and who are not primary members of any local board and the number of individuals who are licensed with such REALTOR® members of the Board and who are not themselves REALTOR®, REALTOR-ASSOCIATE® or Institute Affiliate members of the Board.

The annual dues of each Institute, Society or Council of the National Association shall be one hundred five dollars (\$105.00) times the number of individuals who hold a professional designation awarded by that Institute, Society or Council or who hold a class of membership in the Institute, Society or Council which confers the right to hold office and who are not included in the calculation of dues payable by any Member Board or other Institute, Society or Council of the National Association.

**(B)** For the purpose of this section, a REALTOR® Member of a Member Board shall be held to be any Member who holds primary membership in the Member Board and who, as a sole proprietor, partner, or officer of a real estate firm or corporation or an individual in a position of management control on behalf of principals who are not physically present and engaged in the real estate business in connection with the firm's office, is actively engaged in real estate business as defined in Article III, Section 1 of the Constitution or who is a REALTOR® member of a Member Board pursuant to Article III, Section 1(C)(1)(b) of the Constitution. A REALTOR-ASSOCIATE® Member of a Member Board shall be held to be any Member employed by or affiliated with a REALTOR® Member as a sales employee or independent contractor unless such Member is classified by the member Board as a REALTOR® Member in which case he shall be deemed a REALTOR® Member. An individual licensed in the state within which the board is located or within the state in which the real estate firm of the REALTOR® is located shall be deemed to be licensed with a REALTOR® if the license of the individual is held by a REALTOR® or by any broker who is licensed

with the REALTOR®, provided that such licensee is not otherwise included in the computation of dues payable by a sole proprietor, partner, corporate officer or individual in a position of management control of the entity. Upon payment to the National Association of the dues required under Section 1(A) hereof, each REALTOR® and REALTOR-ASSOCIATE® Member in good standing of a Member Board shall be deemed respectively a REALTOR® or REALTOR-ASSOCIATE® Member in good standing of the National Association.

**(C)** A REALTOR® with a direct or indirect ownership interest in an entity engaged exclusively in soliciting and/or referring clients and customers to the REALTOR® for consideration on a substantially exclusive basis shall annually file with the REALTOR®'s primary board on a form approved by the National Association a list of the licensees affiliated with that entity and shall certify that all of the licensees affiliated with the entity are solely engaged in referring clients and customers and are not engaged in listing, selling, leasing, managing, counseling or appraising real property. The individuals disclosed on such form shall not be deemed to be licensed with the REALTOR® filing the form for purposes of this Section.

The Member Board dues shall be adjusted for any licensee included on a form submitted to a Board who during the same calendar year applies for REALTOR® or REALTOR-ASSOCIATE® membership in a Member Board as provided in Section 2(B) hereof, except that in the case of a new Member who held REALTOR® or REALTOR-ASSOCIATE® membership during the preceding calendar year the adjustment to Member Board dues shall not be prorated. The adjustment to Member Board dues for all new Members under this Section 1(C) shall be due and payable to the National Association by the last day of the month following the month active REALTOR® status is granted as evidenced in the National REALTOR® Database System.

**(D)** A REALTOR® may file annually with the REALTOR®'s primary board on a form approved by the National Association a list of the licensees affiliated with that entity that are authorized to provide mortgage loan origination services based upon their

real estate license and shall certify that those licensees included on the list are solely engaged in mortgage loan origination and are not engaged in listing, selling, leasing, managing, counseling or appraising real property. The individuals disclosed on such form shall not be deemed to be licensed with the REALTOR® filing the form for purposes of this Section.

The Member Board dues shall be adjusted for any licensee included on a form submitted to a Board who during the same calendar year applies for REALTOR® or REALTOR-ASSOCIATE® membership in a Member Board as provided in Section 2(B) hereof, except that in the case of a new Member who held REALTOR® or REALTOR-ASSOCIATE® membership during the preceding calendar year the adjustment to Member Board dues shall not be prorated. At the time such list is filed each Member Board shall pay dues for the current fiscal year based upon such list, which dues shall be adjusted each month to reflect any net increase in the number of individuals licensed with REALTOR® Members of the Board who are not themselves Board Members.

**(B)** Member Board dues shall also be adjusted for new Members enrolled by the Member Board who were not previously licensed with a REALTOR® Member of the Board during the current fiscal year, except that in the case of a new Member who held REALTOR® or REALTOR-ASSOCIATE® membership during the preceding calendar year the adjustment to Member

Board dues shall not be prorated. The adjustment to Member Board dues for all new Members under this Section 2(B), except as provided for herein, shall be prorated monthly and be due and payable to the National Association by the last day of the month following the month active REALTOR® status is granted as evidenced in the National REALTOR® Database System.

**(C)** In calculating the dues payable to the National Association by a Member Board, no member holding primary membership in another Member Board shall be considered, provided such member has notified the state association, and each local board to which he belongs of the identity of the Member Board where he holds primary membership.

A REALTOR® Member as defined by Article III, Section 1(C)(1)(ii) of the Constitution terminated for non-payment of an amount owed to the Member's primary Board shall not be eligible for reinstatement to membership in the National Association unless such amount shall have been paid to the Board or otherwise satisfied.

**SECTION 5.** The dues of each Member Board, International Member, Student Member and National Affiliate Member shall be paid annually in advance and shall be due to the National Association on January 1 of each year. If annual dues are not paid by April 1, the Association may assess such late charges and administrative fees as may be established by the Board of Directors. Any Member Board, International Member, Student Member and National Affiliate Member delinquent in payment of dues by more than 90 days may be required to show cause as to why the Board of Directors, at its discretion, should not revoke the membership and/or charter of such member.

**(B)** Any member in good standing of an Institute, Society or Council who holds a professional designation awarded by an Institute, Society or Council affiliated with the National Association that addresses a specialty other than residential brokerage shall be entitled to Institute Affiliate membership in the National Association and in the Member Boards provided for in Section 11 of this Article.

**SECTION 9.** Notwithstanding anything in this Article to the contrary, the dues payable by a Member Board to the National Association shall be reduced by the amount established by the Board of Directors pursuant to Section 1(A) hereof, times the number of REALTOR® Emeriti, Past Presidents of the National Association, Past Treasurers of the National Association and recipients of the Distinguished Service Award who are members of the Board.

**SECTION 10.** The Board of Directors may assess the members by class, provided that notice of the classes of membership to be assessed, the amount of the assessment for each of the classes to be assessed, the purpose of the assessment and when the assessment shall be due is submitted to the Member Boards at least 30 days in advance of its adoption. For assessments imposed on Member Boards, the amount to be paid by a Member Board shall be the amount of the assessment as stated in the notice times the sum of the number of REALTOR® and REALTOR-ASSOCIATE® members of that Member Board as certified by the President and Secretary of the Member Board pursuant to Section 2(A) hereof. Notwithstanding the foregoing, the amount to be paid by a Member Board shall be reduced by the amount of the assessment as stated in the notice times the number of REALTOR® Emeriti, Past Presidents of the National Association and recipients of the Distinguished Service Award who are members of the Board.

The National Association shall also credit thirty-five dollars (\$35.00) to the account of the Member Board (State) for each individual included on the list provided by the Institute, Society or Council whose office address is within the assigned territorial jurisdiction of that Member Board (State).

## **ARTICLE III**

### **TERRITORIAL JURISDICTION**

**SECTION 1.** Except as provided in Section 2 of this Article, the territory of a Member Board shall be defined by the Board of Directors of the National Association, taking into consideration the ability of the Board to service its members and the public, to enforce the Code of Ethics, and to safeguard the registered marks of the National Association. All Member Boards shall have the same privileges and responsibilities set forth in this Article.

**SECTION 2.** Disputes concerning the jurisdiction and/or the name of a Member Board shall be determined by the Membership Policy and Board Jurisdiction Committee at a hearing conducted in accordance with the procedures approved by the Board of Directors. The decision of the hearing panel will be final except that the Board of Directors may require a new hearing before a different panel of the

Committee if it determines the procedures failed to provide due process. Mergers, voluntary dissolutions, and uncontested changes of jurisdiction and/or changes of name of member boards may be administratively approved in accordance with the procedures approved by the Board of Directors.

**SECTION 3.** Jurisdiction of a Member Board is hereby defined to mean:

**(A)** The right and duty to control the use of the term REALTOR®, REALTORS®, and REALTOR-ASSOCIATE® jointly and in full cooperation with the NATIONAL ASSOCIATION OF REALTORS® subject to the conditions set forth in these Bylaws, including the duty to promptly report to the NATIONAL ASSOCIATION OF REALTORS® any unauthorized or improper use of such terms and to fully cooperate and coordinate with the NATIONAL ASSOCIATION OF REALTORS® in any and all attempts to halt or prevent any such unauthorized or improper use of these terms, and;

**(B)** The duty to enforce the Code of Ethics, and;

**(C)** The authority to accept as a REALTOR®, REALTOR-ASSOCIATE® or Institute Affiliate Member any person engaged in the real estate business, including brokerage, management, appraising, land development and building, and other related aspects of the real estate business who maintains an office within the state or within a state whose border is contiguous with that state and who complies with any licensure or other regulatory requirements applicable to their business activities within the state.

**SECTION 4.** If the territory of a Member Board has never been approved, the Board of Directors of the National Association shall, upon notice to such Member Board and an opportunity for hearing, define its territory, and such action shall be binding upon the Member Board concerned.

**SECTION 5.** Any Member Board within whose territory a provision of this Article is violated by a member of another Member Board may complain of such violation to the Member Board of which the violator is a

member, which Board thereupon shall take the necessary steps to enforce such provision. If it fails to do so, the complaining Board shall have the right to submit the matter to the National Association for appropriate action.

**SECTION 6.** Any Member Board which shall neglect or refuse to maintain and enforce the provisions of this Article or neglect or refuse to cooperate with the NATIONAL ASSOCIATION OF REALTORS® in the maintenance and enforcement of this Article with respect to its members may, after due notice and opportunity for hearing, be expelled by the Board of Directors from membership in the National Association.

## **ARTICLE IV**

### **CODE OF ETHICS**

**SECTION 1.** Each Member Board shall adopt the Code of Ethics of the National Association as a part of its governing regulations for violation of which disciplinary action may be taken.

**SECTION 2.** Any Member Board which shall neglect or refuse to maintain and enforce the Code of Ethics with respect to the business activities of its members may, after due notice and opportunity for hearing, be expelled by the Board of Directors from membership in the National Association. Enforcement of the Code of Ethics also requires Member Boards to share with the state real estate licensing authority final ethics decisions holding REALTORS® in violation of the Code of Ethics in instances involving real estate related activities and transactions where there is reason to believe the public trust may have been violated. The "public trust", as used in this context, refers to demonstrated misappropriation of client or customer funds or property, discrimination against the protected classes under the

Code of Ethics, or fraud. Enforcement of the Code of Ethics also requires Member Boards to provide mediation and arbitration services to members and their clients so that the dispute resolution requirements of Article 17 of the Code of Ethics can be met.

Enforcement of the Code of Ethics also includes responsibility for ensuring that persons primarily responsible for administration of enforcement procedures have successfully completed training that meets the learning objectives and minimum criteria established by the National Association from time to time.

Enforcement of the Code of Ethics also prohibits Member Boards from knowingly granting REALTOR® or REALTOR-ASSOCIATE® membership to any applicant who has an unfulfilled sanction pending which was imposed by another Board or Association of REALTORS® for violation of the Code of Ethics.

### National Association Bylaws

"No Member Board, nor any Institute, Society or Council, shall apply any arbitrary numerical or other inequitable limitation on its membership nor adopt any rule, regulation, practice or policy inconsistent with or contrary to any policy adopted by the Board of Directors."

(Revised November 13, 1973)

#### IN GENERAL:

In licensing to Member Boards the right and duty to control the use of terms "REALTOR®" and "REALTOR-ASSOCIATE®" and to determine those qualified to use the terms, the NATIONAL ASSOCIATION OF REALTORS® contemplates that local Boards of REALTORS® are best able to investigate and determine the qualifications of applicants as to their ability, responsibility, willingness to abide by the Code of Ethics, integrity and general reputation. It does not contemplate that Member Boards will impose arbitrary regulations contrary to practices governing professional or trade organizations or requiring members to

conduct their business according to methods unrelated to ethical conduct.

To protect itself against arbitrary action by a Member Board which could be held violative of the law or of public policy, the National Association Bylaws for many years have included Section 2 of Article 1, which expressed long-standing policy. It is one of several requirements incorporated in its Bylaws that the National Association places upon a Board which desires to obtain or retain membership in the National Association. This is the only section, however, which is stated in general terms and, therefore, is subject to interpretation. An interpretation, to be official, must be made by the Board of Directors of the NATIONAL ASSOCIATION OF REALTORS®.

The four bases upon which a Board either may be refused membership in the NATIONAL ASSOCIATION OF REALTORS® or its membership in the National Association be terminated are:

(1) failure to maintain and enforce the Code of Ethics with respect to the business activities of its members;

(2) failure to maintain and enforce the requirements of the Bylaws relating to the use of the term "REALTOR®";

(3) applying any arbitrary numerical or other inequitable limitation on its membership; and

(4) being otherwise in violation of the Constitution and Bylaws of the National Association.

In the event complaint is received by the NATIONAL ASSOCIATION OF REALTORS® that a Member Board is failing in its obligations to the National Association, the Member Board will be required to show cause why its charter from the National Association should not be revoked and its membership terminated.

## INTERPRETATION NO. 1

(Adopted November 15, 1960)

**"A requirement to participate in a Multiple Listing Service in order to gain and maintain REALTOR® membership is an inequitable limitation on its membership."**

When a Multiple Listing Service is available, is well operated and properly organized, it is the duty of the REALTOR® to consider thoroughly whether they can serve the best interests of their clients by participating in it. The decision, however, must be their own. As a REALTOR®, it is possible for them to conduct business in an ethical and efficient manner without participating in a Multiple Listing Service. Therefore, their participation must not be a requirement of REALTOR® membership.

## INTERPRETATION NO. 2

(Adopted January 24, 1961)

**"An initiation fee in excess of three times the amount of the annual rates of dues is an inequitable limitation on its membership."**

Member Boards must not place unreasonable burdens on applicants for membership. The requirements for membership must be reasonable and non-discriminatory.

The initiation fee, if any, charged by a Board must not constitute unreasonable barrier to membership of a person otherwise qualified. Nor should a Board seek to finance its activities and operations from initiation fees.

The National Association deems any initiation fee in excess of three times the amount of the annual rates of dues, including state and national, to be unreasonable and therefore inequitable.

Since under Interpretation No. 1, participation in a Board Multiple Listing Service is not mandatory, the Board initiation fee, if any must be separate from any participation fee which may be charged for the Multiple Listing Service.

## INTERPRETATION NO. 4

(Deleted May 19, 1997)

## INTERPRETATION NO. 5

(Adopted January 24, 1961)  
(Revised May 19, 1997)

**"Stated qualifications for membership should be limited to those affecting licensure, professional conduct, portability of member records, and bankruptcy."**

The criteria by which applicants will be considered should be written, reasonable and non-discriminatory so that there is a clear basis for evaluation. There are two sets of Membership Qualification Criteria of the National Association, one for applicants for REALTOR® and REALTOR-ASSOCIATE® membership who are other than sole proprietors, partners, corporate officers or branch office managers in a real estate firm and the other for applicants for REALTOR® membership who are sole proprietors, partners, corporate officers or branch office managers in a real estate firm.

They are the most rigorous qualifications which may be required by a Board of REALTORS® in the consideration of applicants for REALTOR® and REALTOR-ASSOCIATE® Membership.

The Board's Membership Committee (or other duly constituted group) may be properly charged with the responsibility of reviewing applicants for membership, determining the qualification, interviewing them personally, and requiring that they record their qualifications in a written form of "Application for Membership" (many Boards publish and use their own forms and the National Association has such a suggested form available to Boards).

Each applicant's qualifications must be considered under the established criteria consistently applied.

A Membership Committee should retain a record of applicants for membership and in the event that rejection of an applicant is recommended, a record of the basis of denial should be made and reviewed with Board legal counsel.

## INTERPRETATION NO. 6

(Adopted January 24, 1961)

**"Any regulation restricting or limiting the practice of a REALTOR® in the conduct of their business, unless it concerns ethical practice, is an inequitable limitation on its membership."**

This Interpretation establishes a rather general guide to the type of rules which a board may adopt, i.e., in furtherance and support of the Code of Ethics, but guards against the type of rules which unreasonably restrict the member in the conduct of their business on a basis other than related to the Code of Ethics.

The intent of this Interpretation is to avoid the necessity of the Board of Directors passing upon innumerable details about which Boards constantly inquire. The administrative staff is under instruction to advise a Member Board, upon inquiry, as to whether a practice or proposed rule appears to be inconsistent with, or in violation of, the Bylaw against inequitable rules. If the Member Board then wishes to request an official Interpretation by the Board of Directors, it may do so.

Any member also is entitled to an Interpretation upon request. However, as a matter of policy, the National Association prefers that inquiries come from Member Boards. It cannot, however, deny any member the right to request an Interpretation.

## INTERPRETATION NO. 7

(Adopted January 24, 1961)  
(Revised January 30, 1984)

**"Restrictions which prohibit REALTOR® membership to a person who has their principal place of business in the jurisdiction of another Board of which they are a REALTOR® Member, merely because they have only a branch office in the jurisdiction of the Board to which they applied, is an inequitable limitation on its membership."**

If an individual maintains an office within the jurisdiction of the Board, whether that office be a principal office or a branch office, that fact qualifies the principal broker or the branch office manager as an applicant for membership. Whether as an applicant the principal broker or the branch office manager meets the established requirements of the Board is a matter for decision by the Board.

It is intended that in those instances in which a sole proprietor, partner, or corporate officer is not physically present and actively engaged in the real estate profession in connection with the firm's branch office located within the jurisdiction of the Board, and the principal broker of the firm chooses not to hold REALTOR® Membership in the Board, the individual exercising management control shall stand in the shoes of the owner(s) and shall be the 'designated' REALTOR to whom the Board shall look for compliance with all duties and obligations of REALTOR® Membership.

In those instances in which the firm's principal office is located within the jurisdiction of the Board, and the firm maintains one or more branch offices also within the jurisdiction of the Board, the Board may require that the supervising partner (i.e., the 'chief principal' of the firm whether a sole proprietor, partner, or corporate officer) be the 'designated' REALTOR® for all of the firm's offices within the jurisdiction of the Board.

## INTERPRETATION NO. 8

(Adopted January 24, 1961)  
(Revised April 24, 1990)  
(Revised November 12, 1990)

**"It is not an inequitable limitation on membership for a Board of REALTORS® to require that applicants for REALTOR® Membership who are principals in a real estate firm must maintain a real estate broker's or salesperson's license or must be licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property."**

The National Association recognizes the right of the Board to determine who is engaged in the real estate business and thereby eligible for membership.

It should be noted that Boards which limit REALTOR® Membership to principals in a real estate firm must make REALTOR-ASSOCIATE® Membership available to otherwise qualified applicants affiliated with the REALTOR®'s firm.

## INTERPRETATION NO. 9

(Adopted January 24, 1961)  
(Revised May 8, 1973)

**"Requirement of a 'Waiting Period' before being considered for REALTOR® membership is not an inequitable limitation on its membership if related to the period of time necessary to process the application, not to exceed six months."**

It is consistent with assurance of ethical business practice for a Board of REALTORS® to require that an applicant for membership submit an application detailing past history. The National Association, as a matter of policy, urges thorough investigation into the background of applicants for membership. This affords the Board an opportunity to investigate the individual's business conduct and record.

An applicant is entitled to prompt consideration of their application and final

disposition of such application must be made within six months.

## INTERPRETATION NO. 10

(Adopted May 9, 1961)

**"A Board rule purporting to require a REALTOR® who holds an exclusive listing to give blanket consent to either sub-agents or cooperating brokers to negotiate directly with the owner, rather than through them, obstructs observance of Article 3, and thereby is an inequitable limitation on its membership."**

This Interpretation affirms the basic agency relationship between the listing broker and their principal as defined in the listing contract. A Board or MLS rule may not properly interfere with or supersede the relationship established by the terms of the agreement between the broker and their principal.

The cooperating broker as a sub-agent of the listing broker enjoys only such rights to show or sell the listing as are granted to them by the listing broker who is ultimately responsible to their principal.

## INTERPRETATION NO. 11

(Adopted May 9, 1961)

**"A rule of a Member Board prohibiting the acceptance of open listings by members is an inequitable limitation on its membership."**

Although the Preamble of the Code of Ethics places upon the REALTOR® the aspirational ideal that he urge the exclusive listing of property, it does not provide that a non-exclusive listing should not be accepted.

The REALTOR® must be free to enter into any form of listing contract mutually agreeable to the REALTOR® and the client.

## INTERPRETATION NO. 12

(Adopted May 9, 1961)

**"A rule of practice prohibiting members from keeping their offices open on Sunday is a restriction on a member's business practice unrelated to the Code of Ethics and, therefore, is an inequitable limitation on its membership."**

While this Interpretation refers to a rule relating to Sunday closings, it is clear that any Board rule limiting office hours or days of work would be an unreasonable restraints and hence an inequitable limitation on membership.

## INTERPRETATION NO. 13

(Adopted May 9, 1961)

**"A Board may adopt a rule requiring that every member maintain a trust account for funds of clients. But a rule requiring annual audit of such accounts, the filing with the Board copies of such reports, and providing for surprise audit visits to inspect records of such accounts is an inequitable limitation on its membership."**

The maintenance of a trust account for funds of clients is a requirement of Article 8 of the Code of Ethics as well as the requirement of many state license laws.

However, the establishment and enforcement of rules providing for audit, inspection, etc. are not properly the function of a voluntary organization such as a Member Board.

## INTERPRETATION NO. 14

(Adopted May 9, 1961)  
(Revised January 26, 1971)

**"A Member Board rule or practice which requires Members to adhere to a schedule of fees or commissions, or which authorizes or includes the preparation or publication of a recommended schedule of fees or commissions, is contrary to the**

**Code of Ethics and to the policy of the NATIONAL ASSOCIATION OF REALTORS® and is an inequitable limitation on its membership."**

## INTERPRETATION NO. 15

(Adopted May 9, 1961)

**"A Board rule prohibiting REALTORS® or their salesmen from accepting elective or appointive public office, or requiring their resignation if they accept such office, is an inequitable limitation on its membership."**

## INTERPRETATION NO. 16

(Adopted May 9, 1961)

**"A Board rule prohibiting employment of married women as salespersons is an inequitable limitation on its membership."**

This Interpretation is a specific application of the general policy of Interpretation No. 20.

## INTERPRETATION NO. 17

(Adopted November 16, 1961)

**"A Board rule imposing an age limit upon applicants for membership is an inequitable limitation on its membership."**

Age is not a reasonable criterion for membership.

## INTERPRETATION NO. 18

(Adopted November 16, 1961)  
(Revised November 7, 1994)

**"A Board rule which seeks to attain the aspirational objectives of the Code of Ethics by requiring, as a condition of Board membership, completion of an objective and non-discriminatory Indoctrination Course with a stated**

**passing grade in an examination thereon is not an inequitable limitation on its membership."**

A board rule requiring the applicants for REALTOR® or REALTOR-ASSOCIATE® membership satisfactorily complete an objective and non-discriminatory indoctrination course covering the Constitution and Bylaws of the local board, state association and National Association, the Code of Ethics of the National Association, and anti-trust laws, fair housing laws, and agency laws is not an inequitable limitation.

## INTERPRETATION NO. 19

(Adopted November 12, 1962)  
(Revised May 8, 1973)

**"A Board rule placing upon REALTORS® the responsibility of requiring their salespersons to hold REALTOR-ASSOCIATE® membership in the Board is an inequitable limitation on its members, and a Board rule requiring that a member obtain Board approval for the employment of or contracting with any employee or salesman is also an inequitable limitation on its membership."**

A salesman cannot be required by the Board of REALTORS® to become a REALTOR-ASSOCIATE®. REALTOR-ASSOCIATE® membership is **not** mandatory. A REALTOR® in the exercise of their individual discretion may, of course, desire to employ or affiliate themselves with salespersons who are willing to become REALTOR-ASSOCIATE®s. This, however, is a matter between the REALTOR® and the salesperson and is not a requirement.

A real estate salesperson shall be eligible to apply for REALTOR-ASSOCIATE® membership immediately upon their employment by or affiliation as an independent contractor with a REALTOR®.

The second clause of this Interpretation is closely related to Interpretation No. 20 to the extent that both Interpretations are intended to make inequitable any rule which would interfere with the REALTOR®s

right to employ or affiliate themselves with any salesperson.

## INTERPRETATION NO. 20

(Adopted November 12, 1962)  
(Revised May 9, 1973)

**"A Board rule which restricts its REALTOR® membership in their employment of or contractual relationship with any employee or salesperson is an inequitable limitation on its membership."**

The REALTOR® has the right to employ or associate themselves with those salespersons of their choice and the Board must not restrict this right.

The REALTOR® Member is responsible to the Board of REALTORS® for the action of employees or associates who are not themselves REALTOR-ASSOCIATE® Members of the Board of REALTORS®.

## INTERPRETATION NO. 21

(Adopted November 12, 1962)

**"A Board rule regulating the number of married women that may be employed is an inequitable limitation and comes within Interpretation No. 16."**

## INTERPRETATION NO. 22

(Adopted November 12, 1962)

**"A Board rule that requires attendance at a reasonable number of meetings of the Board is not an inequitable limitation on its membership."**

Attendance at meetings of the Board -with implied participation in its activities - is consistent with the requirements of the Code of Ethics.

Consideration should be given to extending credit for attendance at related functions such as State and National Association

meetings and Institute, Society and Council meetings.

## INTERPRETATION NO. 23

(Adopted November 12, 1962)

**"A Board rule that requires that members attain a stated earnings level, or complete a stated number of transactions, or both, is an inequitable limitation on its membership."**

## INTERPRETATION NO. 24

(Adopted February 2, 1965)

**"A Board policy or rule deferring for a specified time, or indefinitely, or to a specified date, any consideration of all applications for membership is an inequitable limitation on its membership."**

This Interpretation requires Boards of REALTORS® to accept and promptly process applications from individuals desiring membership.

## INTERPRETATION NO. 25

(Adopted May 11, 1965)

**"A Board rule which prevents the participation of a REALTOR® Member, on equal terms with other REALTOR® Members, in a Multiple Listing Service sponsored, organized or sanctioned by the Board, and which is available to REALTOR® Members throughout the Board's jurisdiction, is an inequitable limitation on its membership."**

A Board rule which makes services available to some REALTOR® Members, but not to other REALTOR® Members, when such services are available generally throughout the Board's jurisdiction, is an inequitable limitation upon the membership.

## INTERPRETATION NO. 26

(Adopted May 10, 1966)  
(Revised November 16, 1977)

**"A Board rule prohibiting the posting by members of "for sale" or similar signs on property for which the member is agent is an inequitable limitation on its membership."**

The right to display "for sale" or other similar signs reasonably designed to inform the public is protected by the First Amendment to the United States Constitution. Thus, any rule prohibiting the posting of such signs would be an unconstitutional infringement of the freedom of speech of the REALTOR® and their client. Similarly, a Board owned or operated Multiple Listing Service may not endorse any programs by municipalities, civic groups or civil rights organizations to ban or curtail signs, even if such programs are "voluntary," because of the "chilling effect" such endorsements might have on the exercise of First Amendment rights.

## INTERPRETATION NO. 27

(Adopted January 26, 1971)  
**[Deleted February 7, 1994]**

## INTERPRETATION NO. 28

(Adopted May 9, 1972)  
(Revised May 19, 1997)

**"A Board rule denying a REALTOR® Member, in good standing, full voting rights is an inequitable limitation on its members."**

The Preamble of the Code of Ethics establishes aspirational objectives which REALTORS® are encouraged to follow in furtherance and support of the objective Articles in the Code of Ethics to advance the real estate profession. With the obligation to abide by the Articles of the Code of Ethics there is a corresponding right to participate in the formulation of Board policy.

The right to vote contemplated by this Interpretation shall not be deemed denied to a broker otherwise eligible for REALTOR® membership if: (1) such broker voluntarily elects a REALTOR® membership classification authorized by the Board having limited or no voting rights; and (2) at least one principal, partner, officer, or trustee of the firm, partnership, corporation or trust with which such broker is affiliated or by which he is employed is a REALTOR® Member having full voting rights.

Further, this right to vote extends to all phases of Board operation wherein REALTOR® Members are granted the right to vote including, but not limited to, voting as participants in a Multiple Listing Service. In the event that participation in the Multiple Listing Service is by firms, the firm shall be entitled to one vote. Conversely, if participation is by individuals, a firm with three REALTOR® Members, paying three participation fees, would be entitled to three votes.

## INTERPRETATION NO. 29

(Adopted May 8, 1973)

**"Application and entrance fees for participation in a Multiple Listing Service, owned by, operated by or affiliated with a Board of REALTORS®, in excess of the approximate cost, including the accumulation and maintenance of reasonable reserves, of developing, maintaining, or improving the organization as a going concern, is an inequitable limitation on the membership."**

All services of a Board of REALTORS®, including Multiple Listing Service, should be available to all REALTOR® Members without restrictive entrance and application fees. Such fees should be related to the approximate costs of bringing the Service to the Member and must not be computed on the basis of the number of listings of a Multiple Listing Service or on the basis of a *pro rata* share of its assets.

## INTERPRETATION NO. 30

(Adopted May 8, 1973)

**"Enforcement of the Code of Ethics by any group, within or without the Board of REALTORS®, other than the Professional Standards Committee and the Board of Directors of the Board of REALTORS® is an inequitable limitation on its members."**

Member Boards are required by Article IV of the Bylaws of the National Association to enforce membership compliance with the Code of Ethics. This obligation is properly fulfilled by the Professional Standards Committee and the Board of Directors of the Board. Delegation of this function by the Board to any other body, such as a Multiple Listing Committee, is not appropriate.

## INTERPRETATION NO. 31

(Adopted May 8, 1973)  
(Revised January 31, 1977)

**"A Board rule or a rule of a Multiple Listing Service owned by, operated by or affiliated with a Board, which establishes, limits or restricts the REALTOR® in their relations with a potential purchaser, affecting recognition periods or purporting to predetermine entitlement to any award in arbitration, is an inequitable limitation on its membership."**

In essence, this is a specific Interpretation of the general rule established in Interpretation No. 6 that a Board may not have a rule which restricts or limits the REALTOR® in the conduct of their business unless it concerns ethical practice. Thus, a rule of a Board or Multiple Listing Service which would determine a protection period in reference to a prospective purchaser is an inequitable limitation. Further, the Board or its MLS may not establish a rule or regulation which purports to predetermine entitlement to any awards in a real estate transaction. If controversy arises as to entitlement to any awards, it shall be determined by a hearing in arbitration on

the merits of all ascertainable facts in the context of the specific case of controversy.

## INTERPRETATION NO. 32

(Adopted May 8, 1973)  
(Revised November 11, 2014)

**“The inclusion in the dues payable by Board Members of costs of services, products or activities of the Board which properly should be optional is an inequitable limitation on its membership.”**

The dues payable by Board Members should represent the allocable costs of the services, products and facilities which are available to and benefit the members generally, either directly or indirectly. It should not include the costs of those services, products or facilities which can be identified as optional. Thus, for example, the cost of participating in the Board's MLS should not be included as part of Board dues since whether a member determines to participate in such an activity will depend upon the member's particular method or type of business. The reasonable cost of meals at general membership meetings held pursuant to the Board's bylaws may be included in Board dues since such meetings are necessary to the operations of the Board as a whole provided that no more than 35% of the local allocation of the Board's annual dues revenue may be utilized for this purpose. Associations may, at their discretion, include the costs of lockboxes and lockbox keys, programmers, fobs, smart cards, and other access devices in the association dues.

## INTERPRETATION NO. 33

(Adopted February 5, 1974)  
(Revised May 19, 1997)

**“It is an inequitable limitation to deny membership to an applicant who maintains an office for the conduct of a real estate business, recognized in the community, and who holds themselves out to the public as being actively engaged in real estate business solely**

**upon the grounds the applicant is not so ‘engaged’.”**

This Interpretation does not contemplate that the broker must devote all or even a majority of their time to their real estate business or derive any particular percentage of their income from such business. It does not contemplate that the licensee shall have no other job or occupation. It does contemplate that the licensee shall actively seek real estate business; that he shall maintain and adequately supervise a real estate office. Where question arises as to whether or not a licensee is "actively" engaged in the real estate business, he shall be given the opportunity to present evidence concerning the actual and intended nature and scope of their business activities.

## INTERPRETATION NO. 34

(Adopted November 12, 1974)

**“It shall be an inequitable limitation for a Board to require a separate office in each Multiple Listing Service area where there is more than one Multiple Listing Service owned or controlled by the Board within the jurisdiction of the Board in order to participate in each such Multiple Listing Service.”**

A REALTOR® is entitled to participate in any and all services and programs sponsored by the Board of REALTORS®. A Board rule which circumscribes the right to such participation restricts and limits the conditions of Board Membership in violation of Article I, Section 2, of the Bylaws of the NATIONAL ASSOCIATION OF REALTORS®.

To institute a divisional Multiple Listing Service based on geographic lines within a Board jurisdictional area limits access to Board services and activities in a way which could be deemed and adjudged arbitrary and unreasonable.

As such, it is merely an extension of Interpretation No. 25 in that it refers specifically to the right of a REALTOR® to participate in a Board owned and controlled Multiple Listing Service and any geographic division thereof without the

necessity of having an office within said geographic division.

## INTERPRETATION NO. 35

(Adopted November 13, 1979)  
(Revised May 19, 1997)

**"That it is an inequitable limitation on membership for a Board of REALTORS® to have a rule or regulation limiting members of a franchise organization, referral group, or broker affiliation of any kind, with respect to service on the Board of Directors or Committees in any elective or appointed capacity."**

This Interpretation is a further application of the principal established by Interpretation 28 and like that Interpretation is founded on the Preamble of the Code of Ethics.

Service is an elective or appointed capacity in a Board of REALTORS® is both a right and duty of membership. A Board may not restrict such service unless such restriction is necessary to maintain the integrity and independence of the Board and assure balanced service to all members.

Under this Interpretation, membership in a franchise, referral service, or other affiliated group of brokers may not, per se, justify exclusion from election or appointment.

This Interpretation does not, however, preclude a Board from reasonably limiting the number of REALTOR® or REALTOR-ASSOCIATE® Members of the same firm or firms having common ownership who may hold elective or appointive positions.

## INTERPRETATION NO. 36

(Adopted November 13, 1979)  
(Revised May 10, 1988)  
(Deleted May 19, 1997)

## INTERPRETATION NO. 37

(Adopted May 10, 1983)  
(Revised February 6, 1989)

**"A Board rule requiring that Board Members attend, on at least a biennial basis, a continuing education program comprised of not more than six (6) cumulative hours of instruction with respect to Board or Member practices that might result in a significant legal vulnerability and possible liability to the Board and its Members, such as violations of anti-trust laws, agency laws, civil rights laws, the Code of Ethics of the National Association, or other similar public policies is not an inequitable limitation upon membership."**

The National Association has long maintained a policy that it is inappropriate for a Board to have any mandated educational requirements other than a requirement for prospective Members or current Members to be familiar with the Constitution and Bylaws of the local Board, State Association, and National Association, the Code of Ethics of the National Association, and any rules, regulations, practices, policies or procedures of the Board that relate to being a knowledgeable and informed Member of the Board. It is not appropriate to require competency and licensure training which is provided by the state. However, when there is a clear and present danger that policies and practices of the Board or of its Members may result in significant legal vulnerability and liability to the organization and its members, it is reasonable to require that Board Member participate in a program sponsored by the Board to assist and educate Members in areas of high legal vulnerability.

Mandatory attendance should only be required at programs related to matters that, if education were not provided, might result in a significant legal vulnerability and possible liability to the Board and its members, such as violations of anti-trust laws, agency laws, civil rights laws, the Code of Ethics of the National Association, or other similar public policies.

The mandatory nature of the programs should be clearly established in the Board's Bylaws. Every effort should be made to

make all Members aware of this requirement far enough in advance to allow them to make arrangements to attend. In the event that some form of discipline will be imposed for failure to meet the mandatory attendance requirement, then the discipline that will be imposed should also be clearly spelled out in the Board's Bylaws. In the event that certain Members hold membership in more than one Board, consideration should be given to granting of a "credit" if the Member has attended a similar program conducted by another Board.

## INTERPRETATION NO. 38

(Adopted May 10, 1983)

**"A provision in the Bylaws of a Board which offers the opportunity to a former Member having been dropped for nonpayment of membership dues during the current fiscal year to be reinstated without reapplication and payment of an application fee, but requiring payment of all past due accounts and payment of membership dues for the entire fiscal year, is not an inequitable limitation upon membership."**

The Model Bylaws recommended by the National Association to local Boards provide that when a Member is dropped from membership, the Member may be further considered for membership in the Board upon applying in the same manner and paying the same application fees, if any, required of any applicant for membership. Therefore, if a Board Member receives services of the Board, and of the State and National Associations, for a period of the current fiscal year, it is not inequitable for the Board to require that individual seeking reinstatement of membership in the same fiscal year to pay the full membership dues for the entire year, plus any past due accounts or other monies owed to the Board, without having to go through the process of making application, taking the required orientation course, and paying any required application fee.

## INTERPRETATION NO. 39

(Adopted November 12, 1985)  
(Revised November 8, 2010)

**"No Member Board of REALTORS® shall knowingly schedule any board function at a place or in a facility that denies admittance to that function to any individual on the basis of race, creed, sex, or country of national origin, or at facilities that are not accessible to individuals with disabilities, when any individual with a disability indicates that they will be in attendance."**

## INTERPRETATION NO. 40

(Adopted November 18, 1996)

**"The term "principal," as used in the NAR Constitution and Bylaws and in other relevant policies, includes licensed or certified individuals who are sole proprietors, partners in a partnership, officers or majority shareholders of a corporation, or office managers (including branch office managers) acting on behalf of principals of a real estate firm."**

Clarifies the definition of the term "principal" as used in the NAR Constitution and Bylaws and in other relevant policies.
