

PEOPLE WILL SCRIPT

:30 Audio Spot

VO:

Here's the truth:

Too many are still being denied access to the futures we all deserve.

That's why the National Association of REALTORS® is fighting to make fair housing a reality. We are 1.4 million REALTORS® sworn to uphold a code of ethics that sets a higher standard for fairness in housing than federal law.

Together we'll hold each other accountable until the fight for fair is won.

Because this ad won't end discrimination in real estate. People will.

REALTORS® are members of the National Association of REALTORS®

That's who we are.
