

## HOUSING DISCRIMINATION? NOT IN OUR HOUSE.

If recent events have taught us anything, it's this: we have more work to do. Racism is real, tragically so. Discrimination, in all its forms, still casts a long shadow in this country, and too many are being denied the opportunities that all Americans deserve. Our commitment to the diverse communities we serve starts with a Code of Ethics. Our code sets a higher standard for fairness in housing than any federal law, it's backed by a culture of member accountability, and it extends to our work on Capitol Hill, where we continue to advocate for meaningful change.

At the National Association of REALTORS® we believe that fairness is worth fighting for, and we won't stop until the fight is won. Because that's who we are.

**If you experience or witness discrimination in real estate, we urge you to report it.**
